From the Drivers Seat.

Summer is almost over. Time to think about putting the toys away and getting ready for 9 months of rain and cold weather. I hope every one had a great summer 2002.

"Dead Line!"

Please have articles in by the first week of the month.

2308 NE 109th CT.

Vancouver, WA. 98684

Phone: 360 892-9025 Fax: 360 260-7883

Minutes of the SAAC NW meeting 18 August, 2002

Presidents Report President Larry Cockerham brought the meeting to order at 6:15 P.M. We waited for our Treasurer to show, Larry said let's get the meeting started. Just after the meeting started in walked our illustrious Bob Parker! Larry expressed his appreciation for everyone that turned out for the all Ford picnic at Champoeg Park. Larry said that we had a good representation along with some new potential members that expressed an interest in joining our club.

Vice Presidents Report Mark Pendergrass commented on the Rose City Mustang rally coming up on the 15th of September. Mark talked about the upcoming Cruise-In's, one coming up every Friday night at the Dairy Queen in Aloha. Mark talked about the All British Field Meet that will be held over Labor Day Week-end. Of important mention is the Antique Power Land display in Brooks Oregon on September 24th. There is a Swap Meet on September 24th at the Hillsboro Fair Grounds. And of course let's mark our calendars for the Cruise to the Coos on September 20th.

Secretary's Report Paul Blanchard asked if there were any additions or corrections to the minutes as reported in the newsletter, there weren't any the minutes stand as written.

Treasurer's Report Bob Parker gave the treasurer's report. Bob said that we had a drop in our treasury due to paying the insurance for our September track day as well as the \$500.00 down payment for our Christmas dinner. Our Treasury will be replenished after our track day, we still have a very good treasury.

National SAAC Rep Fred Gehring wasn't present for tonight's meeting, will have a report for us next month.

MHRC Report Paul Blanchard gave the MHRC report as Brent Soo Hoo had to suffer through Hot August Nights in Reno (yeah right) and couldn't attend the MHRC meeting. Paul reported on the meeting held on 12 August 2002. We had a good representation of council member clubs along with some important guests.

Among the guests were President Eric Felina and Vice President Robert Ludwig of Import Extremes. Mr. Bill Jones Vice President of the Portland Triumph Club was present representing about 210 members. Fieros (Pontiac) Northwest was represented with about 50 members. There was a representative for Vera-Tech another import car club dedicated to Volkswagens. These are potential car clubs that we would like to have join the Council to help with the Roadster Show and other MHRC events. We have been receiving a lot of hits on our MHRC web site. We also passed our MHRC budget and our Portland Roadster Show Budget. There is a potential Cruise-in to Chinook Winds in Lincoln City on September 27th & 28th for the Beach Boys Concert. They would like to have about 300 cars for a Cruise-In on the 29th of September.

MHRC President Tony Chamberlain turned the meeting over to Mr. Rodger Tunks a business consultant, who outlined his ideas for increasing the membership of car clubs, set a goal of increasing our membership of 15 car clubs to 50 by the 1st of January, 2003. He talked about how we can increase our attendance as well as gaining maximum exposure from our advertising. Mr. Tunks is the owner of the 2002 Portland Roadster Show Sweepstakes winning 32 Ford high boy that will be featured in our advertising along with Larry Andersons 32 Ford Roadster known as "Whip Lash".

Newsletter Editor Larry Cockerham said that we really need a volunteer to help put the newsletter together, if anyone has an interest please let Larry know. Jeff Riggs is still looking for articles & pictures to be put in the newsletter, they can be sent via E-mail to jeffr@solidnet.com. Jeff said that he is still looking for a replacement newsletter editor, if anyone has an interest please volunteer.

SAAC NW Webmaster Rick Sattler wasn't present at tonight's meeting, would like all members who have an interest to send him suggestions and information about how we can make the website better.

Track Steward's Report Ed Neiger wasn't present for tonight's meeting, will have a good report for us next month.

Old Business Brent Soo Hoo said that he would like to get permission from the club to order some new T-shirts with the new design as worn by members at the SAAC National Convention. Our inventory is low for the sleeved shirts, would like to have the ability to order some new shirts of varying sizes for sale to all interested members. The members present at tonight's meeting agreed to have some new shirts made.

Dan Jones said that there was considerable sentiment to keep the T-shirts available as designed by the late Dave Milligan. The membership agreed to keep them available as another choice of T-shirt. Dan Jones talked about the new by-laws, they are presently available on our web site.

New Business Gary Kelly said that he has given out a lot of the club interest cards, was wondering if any more were available. Bob Parker and Larry Cockerham said that they have a lot of the old cards with the old address, we need to get some new cards printed with new phone numbers, mailing address and time and address for our monthly meetings.

Larry turned the meeting over to his wife Karen to talk about the Cruise to the Coos in Coos Bay Oregon. The event is happening on the weekend of the 21st and 22nd of September, 2002.

Larry Cockerham and Gary Kelly talked about the Oregon High Desert Swap Meet that will be held on September 7th, 2002.

Brent Soo Hoo said that he met a gentleman at the SAAC National convention, Mr. Jim Elsmore, met him again at Hot August Nights in Reno Nevada. Mr. Elsmore is with the Nevada Shelby American Car Club and has a web site developed for the cars from Shelby American. His web site is www.nvsaac.com Mr. Elsmore is asking people for pictures of their cars and detailed photos of parts, he is building a photo data base to assist people in their restoration and documentation of their cars.

Dan Jones brought his first place trophy that he won for his '67 Shelby at the SAAC National Convention to tonight's meeting. Very nice trophy, congratulations Dan!

Meeting adjourned.

Respectfully submitted: Paul R. Blanchard, Secretary
